Development & Continuous integration

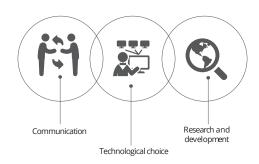

For

PERSONAL INFORMATION

I am 24 years old, currently at study. Of eclectic nature, I'm very interested in computers, new technologies and humanities.

I like the contact with people, learn and share my knowledge. Enthusiastic and passionate, I do not spare my efforts when the subject interests me.

STRENGTHS

COMPETENCE

Programmation language

Java PHP POO Javascript Python

Knowledge

User interface
Distributed architecture
Design pattern
Real time / websocket
R Network security CCNA1

Frameworks used

Groow

AngularJS Grails 3 Selenium Spring

Data base

Mysal

Neo4i

PostgreSQL Oracle

Elasticsearch

Software

Apache / Tomcat Sonarcube Teamcity Jenkins Yourkit

Eclipse Intellij PhpStorm

Photoshop Illustrator

Project Management & Package Manager

Composer Maven Gradle

LINGUISTIC SKILLS

STUDIES / QUALIFICATION

From september 2015 to now.

1 year

Master 2 Rech. Philosophy of science
Pierre-Mendès-France university, France.

From September 2012 to july 2014.

2 years Master MIAGE

Joseph Fourier de Grenoble university, France.
